

## **CME Educational Information**

**American Society of Pain and Neuroscience December Innovation Summit  
December 9, 2022  
Bellagio Hotel and Casino  
3600 S Las Vegas Blvd, Las Vegas, NV**

### **ACTIVITY DESCRIPTION**

The goal of the ASPN Innovation Summit is to provide a unique and dynamic program on the most up to date, cutting edge information on therapies available to treat patients in pain. Each faculty member is a recognized leader in the field. The program will present the most recent and relevant information available with a focus on improving patient care, access to therapies, and overall outcomes.

Format will include individual lectures, panel discussions, hands-on lab and a demonstration lab training opportunity.

### **TARGET AUDIENCE**

This certified CME activity, ASPN Innovation Summit is expected to bring Pain Management Clinicians, Fellows and Residents, including specialties in PM&R, Anesthesia, Neurosurgery, Orthopedic Surgery, Advanced Practice Providers and more from all over the United States.

### **LEARNING OBJECTIVES**

1. Participation in an experiential, hands-on lab training opportunity to learn best practices from expert trainers in standard interventional pain management procedures to treat chronic pain conditions.
2. Visualization of techniques through participation in demonstration labs and panel discussions to understand device and technique guidelines for patient safety and to improve patient outcomes.
3. Discuss patient selection and procedural protocols to improve referral processes for interventional techniques and improve medical safety.
4. Discuss established and evolving concepts in pain management and neuroscience.
5. Achieve a greater understanding of best practices and available guidelines on new techniques, agents and therapies.

### **ACCREDITATION STATEMENT**
