ASPAN Annual Conference

2024

ASPAN
AMERICAN SOCIETY of PAIN & NEUROSCIENCE®

ANNUAL ASPAN 2024 CONFERENCE
July 11-14, 2024
Fontainebleau
Miami, Florida

Dear Colleague:

We heartily invite you to participate in the upcoming ASPN PAIN, 2024 conference, presented by Timothy Deer, MD, Jason Pope, MD, Dawood Sayed, MD, Erika Petersen, MD, and Krishnan Chakravarthy, MD, PhD.. This will be a dynamic educational opportunity which will attract pain practitioners from across the United States. The meeting will take place in Miami, Florida at the Fontainebleau.

The event will unite attendees from across the United States and abroad including engineers, researchers, anesthesiologists, neurosurgeons, orthopedic surgeons, neurologists, physiatrists, and pain medicine specialists. Our unique format presents cutting edge data and information to practitioners of all levels while providing a forum to interact and discuss evidence-based medicine with a view towards improving the quality of care and access to care for patients. There will be many opportunities for you to network with colleagues and attend educational sessions to expand your knowledge on current available treatment options and techniques.

Timothy Deer, MD
Chairman

Dawood Sayed, MD
Vice Chairman & Annual
Meeting Chair

Erika Petersen, MD
President

Jason Pope, MD
Immediate Past President

Krishnan Chakravarthy,
MD, PhD
President-Elect

Kasra Amirdelfan, MD
Vice President
of Clinical Affairs

Expected Attendance

ASPN PAIN, 2024 is expected to bring clinicians, scientists, and industry partners from all over the United States. We anticipate clinical providers to attend including: physicians, advanced practitioners, nurses, and pharmacists.

This Program is CME Eligible

Final CME credits available to be announced prior to the event.

Our Education Program

The goal of ASPN PAIN 2024 is to provide a platform for learning the most up-to-date, evidence-based spine and pain treatments. This includes education on basic science, translational medicine, anatomy and physiology, therapeutic mechanisms of action, novel techniques and evolving technologies. Faculty members are selected for their experience within their respective specialty. Information and data presented will be on-label. Format will include individual lectures, panel discussions, abstract presentations, late breaking research and cases - all focused on improving patient care, access to therapies, and overall outcomes.

Annual ASPN 2024 Conference will continue to present an opportunity for clinician training in a hands-on lab. ASPN is proud to produce one of the largest hands-on training opportunities in the interventional pain space.
