## ASP Annual Conference

July 16-19, 2026  
Fontainebleau Miami Beach

**Intelligence Meets Human Insight**  
Where data and discovery unite to transform patient care

Dear Global Colleagues:

We heartily invite you to participate in the upcoming ASPAN PAIN 2026 conference, one of the largest spine, interventional pain, and neuroscience conferences in the world, presented by the Planning Committee of the American Society of Pain and Neuroscience. This will be a dynamic educational opportunity which will attract clinicians, scientists and industry partners from across the world. The meeting will take place in Miami, Florida at the Fontainebleau.

The event will unite attendees from across the United States and abroad including engineers, researchers, anesthesiologists, neurosurgeons, orthopedic surgeons, neurologists, physiatrists, and pain medicine specialists. Our unique format presents cutting edge data and information to practitioners of all levels while providing a forum to interact and discuss evidence based medicine with a view towards improving the quality of care and access to care for patients. There will be many opportunities for you to network with colleagues and attend educational sessions to expand your knowledge on current available treatment options and techniques.

The 2026 ASPAN Annual Meeting will emphasize disruptive innovation and technologies and harnessing them to drive innovation to improve patient care across the world. We look forward to having you join us for what has become the premier educational conference in the fields of pain, neuroscience, and minimally invasive spine.

## EXPECTED ATTENDANCE

ASPAN PAIN, 2026 is expected to bring clinicians, scientists, and industry partners from all over the United States. We anticipate clinical providers to attend including physicians, advanced practitioners, nurses, and neuroscientists.

### 2025 Annual Conference Stats:

- 79 Sponsors
- Over 3,000 registrations, including nearly 500 attendees at preconference events and over 100 racers at our Annual 5K
- Over 200 faculty, and 20 abstract presenters

## THIS PROGRAM IS CME ELIGIBLE

Final CME credits available to be announced prior to the event. Estimated maximum CME credits available 20-25.

## OUR EDUCATION PROGRAM

The goal of ASPAN PAIN 2026 is to provide a platform for learning the most up-to-date, evidence-based spine and pain treatments. This includes education on basic science, translational medicine, anatomy and physiology, therapeutic mechanisms of action, novel techniques, and evolving technologies. Faculty members are selected for their experience within their respective specialties. Information and data presented will be on-label. The format will include individual lectures, panel discussions, abstract presentations, late breaking research, and cases - all focused on improving patient care, access to therapies, and overall outcomes. The annual ASPAN 2026 Conference will continue to present an opportunity for clinician training in a hands-on lab. ASPAN is proud to produce one of the largest hands-on training opportunities in the interventional pain space.

## ASPAN PROGRAM AGENDA HIGHLIGHTS INCLUDE

Pre-conference activities Thursday: Full day APP Course; Hands-on Cadaver Labs, Ultrasound Labs, and Regenerative Medicine Course; Neurotech Horizons; Translational Research Summit; and the ASPAN P2P Presentation Meet and Greet!

## EXHIBIT HALL

Exhibit hall etiquette: Microphones are prohibited except for in booth presentation/demo. All exhibit space will include: Pipe and drape, table, tablecloth, two chairs and a waste basket. Carpet is not required. If you choose to sponsor a break, you will be required to serve F&B out of your booth.

The conference has contracted with Expo to set up the exhibit hall and provide any assistance with freight. Audiovisual and electrical needs for your exhibit must be coordinated through Expo and the conference planners. Every effort will be made to adhere to space selection based on the floor plan, however, conference planners reserve the right to adjust space as required. The conference planners will make every effort to ensure traffic to all booths and exhibits with breaks and receptions planned in the exhibit hall.

***IMPORTANT NOTICE: There will be a \$1,000 fee for any exhibitor who disrupts the exhibit hall by choosing to tear down their exhibit booth prior to the designated tear down time on the final agenda. Any additional fees associated with early tear down will be the sole responsibility of the sponsor.***

## SYMPOSIUM SPONSORSHIP

Friday and Saturday luncheon symposia are available to multiple sponsors simultaneously. Conference planners will coordinate for all events and will make every effort that attendance is fair and impartial although we cannot GUARANTEE that all luncheons will have equal attendance. Symposia will NOT be eligible for AMA PRA Category 1 Credit™. The planning committee must approve symposia topic and faculty and reserve the right to alter or change to insure compliance, fair balance and program integrity. Symposia times will be assigned on a first come, first served basis. Symposia fees are not inclusive of food and beverage charges associated with the sponsored event. Food and beverage for the session must be coordinated through the conference planners and comply with acceptable standards for the session. Symposia fees do include: basic audiovisual (see page 9 for details), inclusion in the conference event app, symposia space, and any required reporting to comply with the Sunshine Act. Any hand-outs or materials associated with symposia must be pre-approved by the planning committee and provided by the symposia sponsor.

## PRODUCT THEATER

Food and beverage for the event must be coordinated through the conference planners and comply with acceptable standards. Break Sponsors ONLY are allowed to host coffee station with barista in their exhibit booth.

## **ANCILLARY EVENTS AND BLACKOUT PERIODS**

ASPN PAIN 2026 and the conference organizing committee sincerely value the support of our sponsors and exhibitors and are committed to ensuring a mutually beneficial experience for all participants. To maximize engagement and maintain the integrity of the conference program, we respectfully request that sponsors and exhibitors refrain from scheduling independent events or meetings that would conflict with official conference sessions, symposia, receptions, or educational activities. The blackout periods are listed below.

\*Sponsors are free to coordinate an ancillary event for conference attendees (excluding faculty), Friday evening, starting at 7PM through conference planners. Any sponsor who violates this concession by inviting faculty members will have their event canceled. Faculty reception to take place onsite Friday night from 6:30PM to 7:30PM. Any events taking place at the hotel must be approved and planned in concert with the conference planners.

## **BLACKOUT PERIODS**
